

UKTA Directory of Level 2 Approved Thermographers

The directory contains the names, contact details and relevant qualifications of thermographers who have a thermography qualification at Category (Level 2) or above.

*The term 'Level 2' refers to qualifications in accordance with ISO 9712 / ISO18436-7. Other thermography qualifications are compared to this benchmark either as standing equivalence or on case by case basis.

Please see below a list of Officers:

Chairman: Keith Maynard

Vice-chairman: Patrick Quirin

If you have any issues with downloading this document, please contact Wendy Poole ([UKTA Administrator](#)).

On the following pages you will find contact information on our Level 2 or higher UKTA Members.

Please Note: The information below is saved in regional order; however you may find that our members offer their services all over the country.

To view a full list of BINDT UKTA Members, please [click here](#).
